This Website Development Agreement ("Agreement") is made and entered into on **September 02, 2026**, between:

Service Provider: AH Digital Solutions, Rawalpindi, Punjab, Pakistan ("the Developer")
Client: Dr. Raheelaa Ahmad, Holistic Healing & Wellness Centre, Lahore, Pakistan ("the Client")

Together referred to as the "Parties". This Agreement covers the package selected by the Client, described below, from the quotation previously issued by the Developer.

1. Scope of Work

- The Developer will build out the Client's website from the existing demo (raheela-ahmad-demo.vercel.app) into a complete, live website.
- The website will include an appointment / booking form.
- This package does not include a backend or database. Each form submission will be sent directly to the Client's email address, with an instant email notification.
- Hosting for the website will be provided free of charge by the Developer.

2. Fees & Payment

Website Development Fee	PKR 15,000
Domain Registration	Billed separately, at actual cost, based on the domain name chosen by the Client
Total Payable to Developer	PKR 15,000 + domain cost

- A 50% advance payment (PKR 7,500) is payable before work begins.
- The remaining 50% balance (PKR 7,500) is due upon completion, before final handover of the live website.
- The domain cost is payable separately, at its actual purchase price, once the Client has chosen a domain name.

3. Timeline

The website will be delivered within **2 days maximum** from receipt of the advance payment, provided no major changes are requested to the current demo design. Requests for significant design changes beyond the current demo may extend this timeline, and will be communicated to the Client in advance.

4. Revisions

Minor revisions (text, images, small layout tweaks) requested before final handover are included at no extra cost. Changes requested after handover are covered under the Developer's optional monthly maintenance plan (PKR 2,500/month), under which minor changes are done free of charge, for as long as the Client remains on the plan. Changes requested outside of the maintenance plan after handover may be quoted separately.

5. Ownership

Upon receipt of full payment, ownership of the website's design and content, as delivered, transfers to the Client. The Developer retains the right to showcase the completed website in its portfolio, unless the Client requests otherwise in writing.

6. Hosting & Domain

Hosting for the website is provided free of charge by the Developer. The domain name is chosen by, and registered in the name of, the Client, and its cost is the Client's responsibility, billed separately at actual cost.

7. Cancellation

Should the Client choose to cancel this Agreement after work has begun, the advance payment already made is non-refundable, to cover work completed to that point. If cancellation occurs before any work has begun, the advance payment will be refunded in full.

8. Governing Law

This Agreement shall be governed by and interpreted in accordance with the laws of Pakistan.
