This Website Development Agreement ("Agreement") is made and entered into on **September 02, 2026**, between:

Service Provider: AH Digital Solutions, Rawalpindi, Punjab, Pakistan ("the Developer")
Client: Dr. Raheelaa Ahmad, Holistic Healing & Wellness Centre, Lahore, Pakistan ("the Client")

Together referred to as the "Parties". This Agreement covers the package selected by the Client, described below, from the quotation previously issued by the Developer.

1. Scope of Work

- The Developer will build out the Client's website from the existing demo (raheela-ahmad-demo.vercel.app) into a complete, live website.
- This project requires major design and content changes to the current demo, as specified by the Client.
- The website will include an appointment / booking form.
- This package does not include a backend or database. Each form submission will be sent directly to the Client's email address, with an instant email notification.
- Hosting for the website will be provided free of charge by the Developer.
- The Developer will include a small credit/attribution link (e.g. "Built by AH Digital Solutions") in the website footer.

2. Fees & Payment

Website Development Fee	PKR 15,000
Domain Registration	Already purchased by the Client — no additional cost to the Developer
Total Payable to Developer	PKR 15,000

- No advance payment is required.
- The full amount (PKR 15,000) is due upon completion, before final handover of the live website.
- The domain has already been purchased by the Client, so no domain cost is payable to the Developer.

3. Timeline

As this project requires major design and content changes to the current demo, the standard 2-day turnaround does not apply. The Developer will confirm a delivery timeline with the Client once the full scope of the requested design and content changes has been shared, and will communicate this in advance of beginning work. As the Client has already purchased the domain, no time will be lost on domain setup.

4. Ownership

Upon receipt of full payment, ownership of the website's design and content, as delivered, transfers to the Client. The Developer retains the right to showcase the completed website in its portfolio, unless the Client requests

otherwise in writing.

5. Hosting & Domain

Hosting for the website is provided free of charge by the Developer, and the Developer will retain access to and control of the hosting for the website. The domain has already been purchased by the Client, in the Client's name, and remains the Client's property and responsibility.

6. Cancellation

As no advance payment is required, the Client may cancel this Agreement at any time before completion without financial obligation to the Developer for work in progress. Once the website is completed and handed over, the full fee of PKR 15,000 becomes due and payable.

7. Governing Law

This Agreement shall be governed by and interpreted in accordance with the laws of Pakistan.
